

2017 PINOT NOIR KESSLER HAAK STA RITA HILLS

This 2017 bottling flaunts a crimson hue and outstanding fragrance. The florality is striking and dark, as is the fruit, which comes as a medley of deep colored and red berries. The whole clusters don't really manifest greenery here; instead, the effect is black tea and resinous sandalwood. On the palate, it's immediately energetic with a racy pomegranate flavor. That nervy thread keeps the energy going as the wine swells with vibrant dark berries, then there's a lithe and mouth-watering segue into salty minerality and subtle savory herbs.
