

# 2018 SAUVIGNON BLANC MCGINLEY VINEYARD SANTA YNEZ VALLEY

Our Sauvignon Blanc is consistent with its notes of pithy citrus and a strikingly stony minerality. This 2018 bottling gives clean airy aromas of citrus blossoms, green melon and savory marjoram. Much of that is echoed on the palate, where it mingles with fleeting tropical notes. It's tense and energetic, with a food friendly that flatters the saltiness of fresh oysters or urchin, the tartness of goat cheese, and the direct earthiness of any fresh salad or humbly prepared vegetables.
