

2018 PINOT NOIR

BIEN NACIDO

Santa Maria Valley

We've produced Bien Nacido pinot for well over 20 years now, and this 2018 bottling is surely up there with the most powerful. Black cherries, mulberries and plum are at play, but veiled by exotic scents of dark rose, oolong and spice resin. The palate is suave and sensual, with a rich middle stacked with spicy cherries, dark berries and fennel seed, while marine saltiness and fine stony tannins frame the slow taper out.
