

THE OJAI VINEYARD

2021 CHARDONNAY BIEN NACIDO

SANTA MARIA VALLEY

Bien Nacido often provides a racier style of Chardonnay with our approach, but some years the wine skews a little richer. Take this 2021 bottling. The crisp entry flows into rounder textures that give flavors of poached pear, spice and lemon curd, then it ebbs back into minerals and citrusy verve. The ample textures and food-friendly balance make it the perfect thing to pair with rich seafood dishes.
