

# THE OJAI VINEYARD

## 2022 SYRAH SANTA BARBARA COUNTY

Our aim with this wine is to capture a precociously drinkable expression of the region's cool-climate vineyards. This wine is just that. There's a complex profile of incense, suede leather, balsamic, and spicy root beer botanicals, plus a deep layer of mocha and plum. The palate is suave and easy-going, with dark fruits that glide into peppery game and chocolate.
