## 2023 VIOGNIER

### BRICK BARN

SANTA BARBARA COUNTY

This 2023 Viognier has all the aromatic intensity you can hope for from this grape. You get this perfume of fresh melons with honeysuckle and white peach. There's a twinge of dried mango too, but it's overall cool-hued and fresh. Texturally it stops well short of oily, but there is a certain roundness and softness that gives the wine an easy-going appeal.
