

THE OJAI VINEYARD

2023 PINOT NOIR CLIMA FRÍO

The wine is packed with earthy nuance while sporting lots of juicy, spicy fruit. It pulls you in with its wild aroma, which has pretty notes of dried rose, spice box, orange peel, and black tea. Then you'll find it's a just a joy to drink—mouthwatering with ripe berries and cherry, refreshingly mineral, and there's a fine spicy astringency that builds throughout.
