2024 RIESLING DESSERT WINE

Our 2024 Kick On Ranch Riesling Dessert Wine has a lightness of being that's uncommon for a dessert wine. Many become cloying after a small glass; this is one you can (and want to) keep on drinking. That's thanks to Riesling's natural acidity, plus our unusual approach to crafting this wine, which involves pressing frozen grapes. Evocative aromas of peach and pear are followed by flavors of honey, peach and buttered toast.
