

THE OJAI VINEYARD

2024 ROSÉ

Santa Barbara County

This bottling is a classic Ojai Vineyard rosé—pale, brisk, and bursting with fragrance. We pay painstaking attention to detail to ensure our Rosé stands out from the pack. Only fruit grown to be Rosé is used and we press it whole-cluster to ferment and age in neutral French oak barrels. This allows for rosé with the textural elegance that only barrel aging can provide, along with the savor and creaminess of aging on the lees until bottling.
