

THE OJAI VINEYARD

2025 ROSÉ

Santa Barbara County

This bottling is largely Carignan, a fantastic red grape widely used for rosé in the south of France, alongside Pinot Noir, which brings minerality and elegance, and Pasmonte Noir, which contributes beautiful color, tannin, and tension. Aromas of watermelon rind and white flowers lead to a fresh, mineral palate. There's a salivating quality that keeps you coming back for another sip—the hallmark of a truly delicious wine.
